Today you will build your own city. Your city must have 5 landmarks and 2 things you would like to add for fun. Follow the directions below to build your city.

																		☐ Plot your <b>t</b> e	own naii at t	ne <u>orıgın</u>					
																☐ Plot a <b>store</b> in <b>Quadrant I</b> (grocery, clothing, appliance, etc.)									
																		☐ Plot a <b>field</b>	l in <b>Quadran</b>	t IV (footba	all, baseball, soccer,	etc.)			
$\vdash$	-	_	+	-	$\vdash$	igodot	+	+		Н	+	_		-	-	+		☐ Plot your house in Quadrant III (apartment, townhouse, house,							
																		etc.)			,	,			
																		,	aurant in Qu	ıadrant II (	Mexican Italian cafe	é etc.)			
$\vdash$	-	_	+	-	$\overline{}$	-	-	+		Н					-			<ul> <li>□ Plot a <u>restaurant</u> in <u>Quadrant II</u> (Mexican, Italian, café, etc.)</li> <li>□ Choose any of your points, make a reflection of this point over</li> </ul>							
	$\perp$						_											axis choose a tourist attraction to place in your town							
																		<ul> <li>□ Choose another point, make a reflection of this point over the X- axis and choose a <u>friend or family members home</u> to plot.</li> </ul>							
$\vdash$	_		+		$\overline{}$		-	+		Н															
ш	_	_	_	$\blacksquare$	ш		_	_							_			axis and c	illoose a <u>ille</u> i	iu oi iaiiii	i <u>y membera nome</u> t	ο ρισι.
